OverviewProfile: Rainbow's End Landscaping and Landscape Designer Kraig Kaven Kraig, who resides in the Denver area, has created many mini paradise's for his clients throughout Denver and has now expanded his services all over the State of Colorado. He has been a life-long learner of construction techniques, guided by his father who is a general contractor. Luckily Kraig grew up helping him out on the job. Working in as many positions as it takes to construct a building, Kraig's skills
