OverviewMy name is Carey and I am a licensed contractor in St. John's and surrounding counties. Riverview Construction/Renovations is a locally owned and operated business that is licensed and insured. I was born and raised in St. Augustine, and after working in the construction/renovation business for several years, I decided to venture into my own business, Riverview Construction/Renovations LLC. Our company specializes in residential and commercial renovations as well as restorations. Riverview Co
