Overview Over 10 years ago i decided to start home improvements and spent years working for other people building houses before i decided to come and and give homeowners a chance to work with the guy that is going to be directly on the job. Working with bigger businesses most homeowners arnt aware that there dealing with a crew of workers that has been subbed the work. We can offer lower rates than most companys using the best materials because we do the work not a sub crew! I have years where im a BBAddressS & J Home Improvements is located in 23720 Lime City Rd Lot 124, Perrysburg, OH, 43551
