12571 S Pasture Rd Ste B, Riverton, UT, 84096

Phone: 18012533730

OverviewWe started out as a smoke shop, bringing Riverton everything they could possibly need for their vapes, water and hookahs. Then, one day, we decided to add professional tattoos and piercings to our list of services. We have talented artists in our studio and a knowledgeable staff that can set you up with anything you need for vaping. Come by and leave with what you're looking for.
