OverviewWho We Are Southwest Airport and Limousine Service, Inc. in Naples, Florida, is your source for exceptional transportation services. Prior to opening Southwest, our owner previously owned the oldest limousine service in New York state. Bought by his father in 1948, he ran the company until he decided to relocate to Naples. Our experience with that company affords us an intimate understanding of the industry. That valuable experience is the reason 90 percent of our work in New York was repeat
