OverviewBusiness Description: Today has been a very exciting day here at Southern Touches! We had the opportunity to have a dear friend come all the way from Connecticut just to find her perfect dress! She has officially won the title of not only being the farthest bride we have had but also the quickest bride to find her perfect dress! Not even in her beautiful gown for 1 min and knew it was HER gown! Bailey Andrus has said YES to her DRESS! And we could not be happier for her and her upcoming Big D
