OverviewStandard Equipment Company, first opening in the summer of 1993, is a fairly new equipment dealer by industry standards. But, since our modest beginnings we have quickly risen through the ranks to become one of the nations top John Deere dealers. As you can imagine, with over 400 dealers in North America becoming a stand-out doesn't come easy. It also doesn't come by mistake. We have evolved into an industry leader because as our motto states, we remain... By maintaining this mentality with o
