OverviewProfile: Karen and Dale Lindeman started their business after they retired and were looking for something to do with their free time. Karen started by going to a few small craft shows with her sewing items. Soon after, Dale took over the embroidery machine, making mainly flour sack dish towels, golf towels, and fishing towels. They enjoy meeting fellow crafters and meeting with new and repeat customers at craft shows.

AddressStitches By Karen is located in 229 N Charles St, Adrian, MI, 49221
