

Florissant, MO, 63031

Phone: 13143637923

OverviewMy purpose is to clarify what has been written and spoken regarding the Word of God; to help enlighten, to encourage, to teach, by example, relationship to Him. God is still a mystery but there are areas of Himself that He allows us to gain an understanding of to meet our need to know and love Him and His need to father and nurture us. Each day we meet is a journey to process and progress.
