Overview Taiji oriental massage treatments are dedicated to focusing the mind nurturing the body and uplifting the spirit. We have shiatsu massage reflexology, deep tissue, Chinese tuina, hot stone massage, and couples massage. The body is intended to self-heal, but factors like lack of sleep, stress, chemical toxins and pain often hinder our ability to rehabilitate our unforgiving environment make self-rejuvenation a challenge. Whether you want to energize self-repair, or simply relax.
