OverviewWe are a team of investigators based out of Phoenix AZ. We are in the field and at home during each investigation. Our nerve center provides verification while we investigate on site and receive messages from spirits, demons, ghosties, ghouls and anything else that crosses our path. We offer tours and a chance for you to be the investigator. Although these tours are a great time, and we are excited for you to join us, please note the following **** If you are attending a tour with us
