21 Fiske Street, Waltham, MA, 02451

Phone: 17813731891

OverviewPhilosophical Statement I believe that learning and education are a lifelong experience. Classroom time can be very important towards developing your intellect. However, your love of learning on all levels, your reading and thinking and intellectual stimulation are even more important. Often, a degree is less a sign of what you know than it is a sign that your parents had some money to send you to school. For The Best Word, I produce books that are stimulating and fun to read. I
