Overview I am trying to start a home business that pins and preserves local and exotic insect and butterflies. They would be sold at local businesses and festivals around the area also a website is in order to take orders from around the country. There is no one around here that does it and i live in a very tourist driven town. I have all the cost calculated and the paperwork filled out to make it an LLC, and I am putting as much of my money up as i can scrape together. (Not just asking for a
