OverviewThe Ten Thousand Group is a membership company that help low income families afford funeral and burial services. The way it works is, we form a group of 10,000 people in your community in one membership plan and when one person dies in that group, everyone donate \$1 to bury that person. This is no insurance company. This plan help those who can't afford insurance have some type of funeral and burial service. No more fundraiser, plate sales, car washes, high monthly cost from insurance compani
