Overview Established in 1940, we at Tomaro Construction Co., Inc. (family owned & operated) are here to provide you with everything from a custom-designed stamped, stenciled or stained patio, to a traditional driveway, parking lot or concrete foundation. We recently partnered up with Ambient Glow Technology as a Master Dealer and Installer of glow-in-the-dark aggregate. Just another of the many options we provide to make your project a one-of-the-kind work of art!
