

Unique Sound Installations

511 West Main Street, White, SD, 57276

Phone: 16056903869

OverviewWe are a small Sound Installation business by choice. We install commercial and residential sound systems. We specialize in working with schools, churches, and businesses that may have a tight budget. Whether it's a small project or large one. Our Sound Installation business offers competitive pricing, customization, and the best service around. We have joined forces with some of the top companies in the sound industry to assure the best quality products.

AddressUnique Sound Installations is located in 511 West Main Street, White, SD, 57276
