OverviewViolin classes offered in Indian Classical Music. I have been learning the instrument, and vocal music for the past 13 years and wish to teach the same. I am willing to travel to the student provided commutation is taken care of. I am a graduate student at the University of Texas at Dallas. I will be able to handle classes on weekends, and some weekdays depending on my class timings. I am willing to teach from beginners level as well. In case commutation is not possible either way, classes wi
