OverviewMy name is Igor. I started in insurance industry more two years ago, I met some really great mentors who taught me great skills, and currently I have my own agency. I keep expanding my business and my skills everyday. My clients are the one who keep me in this business and I have huge passion in helping them, with their policies and with their insurance overall. I`m appointed with many companies and there is almost nothing that i can`t` insure.I have many resources and enough knowledge to sav
