Phone: 9377600470

Copper Reflections has been established in the retail & wholesale handmade jewelry and gifts business since 1985. Specializing in handmade jewelry with animal, nature, wildlife, western and Native American designs. Each piece is created by us from start to finish, from designing to crafting at our workshop. Over the years, we have developed different jewelry making techniques which made our jewelry unique. Our jewelry is sold in gift stores throughout the United States and Canada.
