

Labyrinth Audiology

1500 NW 10th Ave #104
33486

Phone: (561) 807-7873

At Labyrinth Audiology, we strive to help our patients by making diagnoses, offering solutions to manage symptoms, and providing treatment options that are best for the patient. We help patients overcome conditions such as hearing loss, tinnitus (ringing in the ears), balance disorders, vertigo, and sound sensitivity. We also provide services for auditory processing disorders, so you can receive all the hearing help you need in one place
